

Four Part Pattern

01

STORIES

Share stories of gratitude in your lives.

Choose some of these questions:

- *What was the best thing that happened since we last met?*
- *Have you learned something about God that touched your life this week?*
- *Were you able to apply anything from what we have been reading?*
- *Did you have the opportunity to share what you learnt last week with someone?*
- *What are you thankful for?*

02

DISCOVER BIBLE

Read, Reveal, Reflect, Respond.

Choose a reading plan that you think might be helpful. Each week ask:

Review

- *If the person has been reading the daily reading ask:*
- *Was there something you read during the week that stood out to you?*
- *Did you have any questions?*
- *Is there something you would like to talk about?*

Read - Read or listen to the passage

Reveal

- *What do we learn about God?*
- *What do we learn about ourselves?*

Reflect

.. *What part of the passage stood out to you?*

Respond

· *How can you put what you have learnt into practice this week?*

03

PRAYER & CARE

By praying for them and inviting them to pray for you, you are reinforcing that they can speak to God and that God hears them as well. Love, care, share, pray and use your gifts.

- . Is there something I can pray for you?*
- . Is there any area in your life that you would need a breakthrough in?*
- . Would you be comfortable praying for me about (...)?*

04

LIVING IT OUT

Encourage them to contact you with any questions or write them down so you can discuss them next time you meet. Remind them to:

- . Try to put what you have learned into practise.*
- . Share what you have learned with someone before we meet again.*
- . Read more of the Bible between now and when we meet again.*
